KEY COMPETENCIES

In the following section of the application form, we are interested in discovering, what are your key strengths and achievements, which make you particularly suitable for the role of

PATH MANAGER

In each of the competency areas below briefly detail 2 examples which you feel best demonstrates your capacity in the competency area described. You may use the same examples across more than one competency area should you so wish. Your examples should show clearly how you have demonstrated the particular competency. You should be mindful that the scale and scope of the examples given demonstrate the competency in question and are appropriate to the position.

1. Practical Skills

- A demonstrated commitment to and understanding of the conservation of mountain environments in Ireland.
- Substantial proven practical experience of executing and managing sensitive upland path repair and construction methods to industry standards, as per UPAG Upland Path Standards for Scotland.
- Demonstrated a high skill level in hand-build techniques

Please give examples of where you have demonstrated this.

2. Interpersonal & Communication Skills

- Builds and maintains contact with colleagues and other stakeholders to assist in performing the role.
- Acts as an effective link between Trainees and Directors.
- Treats others with diplomacy, tact, courtesy and respect, even in challenging circumstances.
- Presents information clearly, concisely and confidently when speaking and in writing.
- Provides positive support for the consented plan for sustainable access and habitat restoration.
- Demonstrates a capacity to engage positively with the public.

Please give examples of where you have demonstrated this.

3. Management & Training

- Experience of Team Work including recruiting and retaining path workers, and of providing effective training and on-site supervision for staff and volunteers
- Builds and maintains contact with colleagues and other stakeholders to assist in performing the role.
- Acts as an effective link between trainees and company directors.
- Encourages open and constructive discussions around work issues.
- Places high importance on staff development, training and maximising skills and capacity of the team.
- Works with the team to facilitate high performance, developing clear and realistic objectives and addressing any performance issues if they arise.

Please give examples of where you have demonstrated this.

4. Regulations

- Practical experience in the application of Health and Safety regulations and good safety practice in the mountain setting.

Please give examples of where you have demonstrated this.
