### CLIMATE JUSTICE CANDLE:

The Eco-Congregation Ireland Climate Justice Candle has been weaving its ecumenical and climate justice journey around Ireland since the launch of the project by Eco-Congregation Ireland in 2015. As part of its tour of the country this candle has arrived here to our parish this weekend. We will have it for the coming week and next weekend also. Last weekend it was in Holy Trinity Church. This is an initiative of Eco-Congregation Ireland (ECI) to help raise awareness about Climate Justice and Climate Change and to draw our attention to our own choices and actions. We are intimately connected to our environment. We depend on it for shelter and clothing. It is stunningly beautiful and terrifying shakeable.
