SEASON OF CREATION SEPT. 1ST TO OCTOBER 4TH

From September 1 to October 4, Christians around the world celebrate the Season of Creation. We here in Westport parish, invite one another to ponder on this special message from Pope Francis during this month. "Oceans contain the bulk of our planet's water supply, and also most of the immense variety of living creatures, many of them are threatened for various reasons. Creation is a project of love given by God to humanity. Our solidarity with the "common home" is born from our faith. Let us pray this month that politicians, scientists and economists work together to protect the world's seas and oceans."
